

PSAV® and DIRECTV®

PSAV and DIRECTV have partnered to provide the hospitality industry with best-in-class installation, service, and High Definition Television programming. All of your High Definition services can be consolidated to one provider, one contract, one price, and one point of contact.

Providing your guests with the best possible hotel experience is a daily endeavor. Don't settle for a service that produces uncertainty. Gain peace of mind knowing DIRECTV-trained PSAV technology professionals can be onsite, available to assist with any technical support needs.

The PSAV Advantage

- **Single point of contact** — One vendor, one price, one contract
- **Nationwide provider** — All DIRECTV needs managed by one company regardless of size and scope
- **Reduced upfront costs** — Phased pricing solutions with thousands of dollars in qualified rebates
- **Onsite support** — Tier One and Tier Two support available by DIRECTV-trained professionals
- **Event-based DIRECTV support and revenue** — Incremental revenue from large or small groups

Detailed pricing available upon request.
