**LONG BEACH, Calif. — December 7, 2010** — Celebrating its 25<sup>th</sup> anniversary, Harbor Beach Marriott Resort & Spa has long been recognized as Fort Lauderdale's premier location for conferences, incentives, and tradeshows. Having recently completing a \$50 million property-wide renovation, managers of the 650-room resort have selected PSAV® Presentation Services to provide its 40,000 square-feet of indoor function space with audiovisual equipment as well as rigging, power distribution and HSIA services for all future events.

Located on South Florida's largest private beach, Harbor Beach Marriott Resort & Spa is hailed as one of Marriott's top resorts for meeting planner satisfaction. It accommodates up to 2,000 delegates for private events with 32 flexible meeting rooms – including the area's only oceanfront ballroom -- and boasts 60,000 square feet of outdoor terrace function space with 200,000 square feet of sparkling beach for signature events.

"PSAV's expansive event-technology portfolio is in line with what meeting planners expect for top caliber venues in Fort Lauderdale," said General Manager Jim Mauer. "There's absolutely nothing that our customers could request that PSAV can't provide."
